

# Crocker/Riverside Elementary School

## Parent Newsletter

Dear Parents/Guardians,

The following information is for your December calendar and planning.

### 1<sup>st</sup> Trimester Report Cards

All 1<sup>st</sup> Trimester Report Cards will be available on Friday, December 11<sup>th</sup> for parents to view on the Infinite Campus Parent Portal. Student report cards will not be mailed home. If you have not set up your Infinite Campus Parent Portal, please follow the directions below so you can have access to your students report card.

### Infinite Campus Parent Portal Access

This school year, we want to make it easier for parents and guardians to access their student's attendance, grades and other important information that is critical to monitoring a student's academic performance. That is why we are encouraging all parents with smartphones or mobile devices to download the [Infinite Campus Parent Portal App](#) where all this information is now available at your fingertips.

The District's Online Parent Portal organizes many of Infinite Campus' features into a format that is easy for parents to navigate. It can be accessed via the smartphone app, a mobile device or computer and was created to empower parents and guardians with real-time access to your student's records and other important announcements. Currently, the Parent Portal has the capability to help parents easily:

- Access grades and standardized test score information for the current school year
- Monitor student attendance
- Update student contact information

To request your Parent Portal Activation (GUID) code, please email our Office Manager, Mrs. Debbie Kang [debbieka@scusd.edu](mailto:debbieka@scusd.edu). Mrs. Kang will respond back to you using the email we have in Infinite Campus to verify that you are a parent at Crocker/Riverside. Once you are verified, she will then send you your Parent Portal Activation (GUID) code along with directions.

## District LCFF Applications

We have sent out several messages on Konstella, and the District has sent out emails asking families to fill out the LCFF School Funding Application. We still have 195 families who have not completed this application. It is very important that we have 100% of Crocker/Riverside families complete the LCFF Application. **The deadline has been extended to December 31, 2020.**

Here are some more GREAT reasons to fill out this application: Crocker/Riverside received \$35,000 last year as a direct result of our families completing this application, and this money went towards student enrichment such as:

- Another class set of Chromebooks and a charging station
- Subscriptions for K-4<sup>th</sup> graders to Scholastic News
- Subscriptions for 5<sup>th</sup> & 6<sup>th</sup> graders to Time for Kids
- Planners for 4<sup>th</sup>-6<sup>th</sup> graders
- Several class sets of novels
- SIPP's material for our K and 1<sup>st</sup>

All of these were vital to the ongoing academic support and success of our students!

### **Here is what you need to do:**

- Fill out ***ONE application per household*** by December 31, 2020.
- Here is the link for the LCFF Form: <https://www.scusd.edu/lcffapp>
- Include all children and adults living in your household. This includes babies, grandparents, cousins, etc.
- If you have any questions, please email [LCFFsupport@scusd.edu](mailto:LCFFsupport@scusd.edu).
- **All families should complete the LCFF Application regardless of income.**
- The District needs a response from all our families. If you choose not to complete the LCFF application, there is a space on the on-line application to decline completing the application.

**Please note that all the information remains strictly confidential.**

The application is also available in other languages  
[www.scusd.rocketscanapps.com/default.aspx](http://www.scusd.rocketscanapps.com/default.aspx).

We would like to thank you for your time and support of Crocker/Riverside Elementary School.

**NO SCHOOL**

**Monday, December 21st through Friday, January 1, 2021**

Let it  
Snow
