

USA Shade Hip Structure

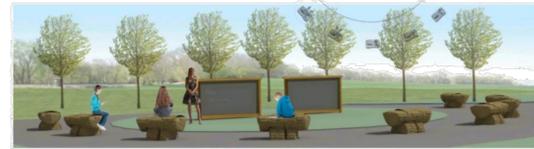

One of our most cost-effective and versatile designs, Hip Structures are available in sizes from 120 to 1,600 square feet and can be joined to create even larger shaded spaces.

USA Shade Twilight 8-Point

A modern slant on our Coolbrella design, the Twilight 8-Point structure features a single column with a 25' diameter subtly sloped roof.

Superior Shelter Hyperbolic Trellises

This picnic area consists of two hyperbolic trellises. This metal trellis has a sophisticated, elegant design that enhances the surrounding features. The distinctive design is complemented with a fully functional attached shade for additional sun protection.
