## District LCFF Applications

Recently the District sent out an email asking for families to fill out the School Funding Application. **The deadline has been extended to December 31, 2020.** We need 100% of Crocker/Riverside families to complete the LCFF Application.

Here are some more GREAT reasons to fill out this form:

Crocker Received \$35,000 last year as a direct result of these forms, and went towards student enrichment such as:

- Another class set of Chromebooks and a charging station
- Subscriptions for K-4<sup>th</sup> graders to Scholastic News
- Subscriptions for 5<sup>th</sup> & 6<sup>th</sup> graders to Time for Kids
- Planners for 4<sup>th</sup>-6<sup>th</sup> graders
- Several class sets of novels
- SIPP's material for our K and 1<sup>st</sup>

All of these were vital to the ongoing academic support and success of our students!

Here is what you need to do:

- Fill out ONE application per household whether online or paper by December 31, 2020.
- Include all children and adults living in the household, this includes babies, grandparents, cousins, etc.
- Families who wish to complete the paper application that was mailed to their household may do so and return to your school's front office.
- If you have any questions, please email [LCFFsupport@scusd.edu](mailto:LCFFsupport@scusd.edu).
- *All families must complete the LCFF Application regardless of your income.*

Please note that all the information remains strictly confidential. The application is also available in other languages [www.scusd.rocketscanapps.com/default.aspx](http://www.scusd.rocketscanapps.com/default.aspx).

Thank you in advance for your support of Crocker/Riverside Elementary School!

## Infinite Campus Parent Portal Access

This school year, we want to make it easier for parents and guardians to access their student's attendance, grades and other important information that is critical to monitoring a student's academic performance. That is why we are encouraging all parents with smartphones or mobile devices to download the [Infinite Campus Parent Portal App](#) where all this information is now available at your fingertips.

The District's Online Parent Portal organizes many of Infinite Campus' features into a format that is easy for parents to navigate. It can be accessed via the smartphone app, a mobile device or computer and was created to empower parents and guardians with real-time access to your student's records and other important announcements.

Currently, the Parent Portal has the capability to help parents easily:

- Access grades and standardized test score information for the current school year
- Monitor student attendance
- Update student contact information

To request your Parent Portal Activation (GUID) code, please email our Office Manager, Mrs. Debbie Kang [debbieka@scusd.edu](mailto:debbieka@scusd.edu). Mrs. Kang will respond back to you using the email we have in Infinite Campus to verify that you are a parent at Crocker/Riverside. Once you are verified she will then send you your Parent Portal Activation (GUID) code along with directions.
